Training On Naksha Bori [Designed Dumplings]

Employability of youth continues to be a major challenge in the changing economic perspective. A.K.Dasgupta Centre for Planning and Development, Visva-Bharati is contemplating to organize a series of different skill development programmes for promoting an environment where the youth of our country can think of being an entrepreneur and empowered. The objective of the programme is to motivate youth representing different sections of the society including SC/ST/Women and BPL persons to consider self employment as one of their career options. Finally, such endeavour will promote many new enterprises and help in capacity building of youths of our country leading to their increase in self confidence.

Comprehensive skill development training programmes will be organized to upgrade skills of prospective entrepreneurs, existing workforce and also to develop skills of new group of entrepreneurs by organizing various programmes with the basic objectives to provide training for their skill up-gradation and to equip them with better and improved technological skills of production.

The skill development programmes will be conducted throughout the year. The trainees will be given training as well as help them understand the

marketability of the products they will produce using the training. Necessary managerial and hand-holding support will be provided to the trainees.

The Centre is inviting application for the training on Naksha Bori [Designed Dumplings].

Interested persons may contact Chair Professor Dr. Debasis Bhattacharya or his Secretary for further information in connection with the training programme .
